

**ADDENDUM TO THE MARCH 25, 2004**

**PROTOCOL AGREEMENT**

**Dated this 30th day of July, 2004**

**B E T W E E N:**

**THE ALGONQUINS OF PIKWÀKANAGÀN FIRST NATION**

**(hereafter “Party No. 1”)**

**AND**

**THE ALGONQUIN NATION NEGOTIATION DIRECTORATE**

**(and its Representatives)**

**(hereafter “Party No. 2”)**

**(collectively the “Parties”)**

WHEREAS the Parties entered into a Protocol Agreement on March 25, 2004 and reaffirm the principles expressed within that Protocol Agreement;

AND WHEREAS, following many meetings and consultations and following extensive consideration, the Parties have agreed that it is premature at this time to define Beneficiary Eligibility Criteria for the Treaty Negotiations between the Algonquins, Canada and Ontario until those negotiations, which will not adversely impact on existing Aboriginal rights or rights to equality, result in a clearer determination of the additional benefits that may be negotiated;

AND WHEREAS the Parties have also concluded that it is now necessary to establish a basis for forming and mandating a negotiation team with the ability to represent the interests of all Algonquins of Ontario to negotiate the Treaty;

THEREFORE the Parties hereby covenant and agree with each other as follows:

**I. The Algonquin Negotiation Representatives**

1. The Algonquin Negotiation Representatives (“ANR”) shall be comprised of:

- (a) the Chief and Council of the Algonquins of Pikwàkanagàn First Nation; and

- (b) Representatives of the Communities of Algonquins described in paragraph 2 elected solely for the purpose of participating in the Treaty Negotiations with Canada and Ontario.

2. One Representative will, subject to paragraph 3, be elected from each of the following Communities of Algonquins:

- (a) Sharbot Lake
- (b) Mattawa/North Bay
- (c) Greater Golden Lake
- (d) Ardoch
- (e) Antoine
- (f) Bonnechere
- (g) Bancroft
- (h) Whitney
- (i) Any other groups of persons in Ontario who want to be recognized as a Community of Algonquins in Ontario, and who can demonstrate that:
  - a. they have a geographical connection with the Algonquin Territory in Ontario as reflected in the Map that is annexed as Appendix A (other than those Communities listed above); and
  - b. they have a history of common interests, traditions and needs arising from their common Algonquin heritage.

- 3. All Communities of Algonquins, including those listed in paragraph 2 (a) through (i), must have a minimum of 125 persons of Algonquin descent as defined in paragraphs 10 (b) through (e) below.
- 4. Any group of persons seeking to be recognized as a Community of Algonquins pursuant to paragraph 2 (i) for the purpose of electing a Representative to the ANR must do so by making an application in writing to the Electoral Officer on or before the election is called.
- 5. The decision whether or not any group should be recognized as a Community of Algonquins pursuant to paragraphs 2 (i), 3 and 4 shall be made by the Electoral Officer who will consult the applicants, the Enrolment Officer and the Parties in making his or her decision. The Electoral Officer's decision in that regard shall be final for purposes of the election in question, but is without prejudice to any subsequent application for

recognition as a Community of Algonquins for election or other purposes related to the Treaty Negotiations.

6. The ANR shall conduct themselves in accordance with the Protocol Agreement dated March 25, 2004 and this Addendum. The ANR shall have the responsibility of consulting with and taking direction from each of their respective Communities and to instruct the Principal Negotiator in respect of the Treaty negotiations.
7. Representatives of the Algonquin people from each of the Communities of Algonquins specified in paragraph 2 shall be elected in each instance by the Electors of each of the Communities of Algonquins pursuant to this Agreement and the Election Rules that are annexed as Appendix B.
8. A Representative who is elected shall hold his or her position for three (3) years.
9. If a Representative misses three consecutive duly called meetings of the ANR, the position of that Representative shall automatically become vacant. In that event, or if an elected Representative cannot complete the three-year term for any other reason, including resignation, a by-election to replace that Representative may be held in accordance with this Addendum and the Election Rules.

## **II. The Electors**

A form signed by an Elector that indicates such an affiliation shall be conclusive unless expressly withdrawn by that Elector or replaced with another similar signed form. In any cases where no such choice has been made in writing, the decision of the Electoral Officer, who will consult with the Enrolment Officer in making that decision, shall be final with respect to the determination of which Community an Elector is listed as being part.

### **III. The Enrolment Officer**

14. Joan Holmes of Joan Holmes and Associates Inc. or such other individual as deemed appropriate by the Parties, shall be retained by the Parties for the following purposes:
  - (a) to conduct a comprehensive review of the underlying materials filed and employed in support of those persons who were added to the List after November 17<sup>th</sup>, 2001 and verify that their inclusion on that List was correct (with the exception of those persons who were accepted by the Enrolment Board as provided for in paragraph 10 (e) and their descendants);
