

# Algonquins of Ontario

## 2024/2025 MOOSE HARVEST QUESTIONNAIRE

Information gathered through this questionnaire supports the sustainable management of moose populations in the Algonquins of Ontario (AOO) settlement area for future generations. Any questions about the collection of this information should be referred to your Algonquin Negotiation Representative (ANR).

Any moose harvests must be reported to an AOO Harvest Monitor, your ANR or community designate, or the AOO Consultation Office within 24 hours. Algonquin harvesters who are not successful in harvesting an animal during the AOO harvest season are still encouraged to report harvesting effort and observations through a harvest questionnaire. All information gathered will help inform future harvest planning. Questionnaires can be mailed or dropped off at community offices or the AOO Consultation Office (address below). Please note, all harvests must be reported within 24 hours, but additional harvest effort and observation information is welcome through mailed hard copy.

Algonquins of Ontario Consultation Office  
31 Riverside Drive, Suite 101  
Pembroke ON K8A 8R6
