2024/2025 OTHER WILDLIFE HARVEST QUESTIONNAIRE

Please fill out this questionnaire if you participated in any harvesting activities during the 2024-2025 harvest season that were not related to trapping or moose, elk, and white-tailed deer harvesting.

Information gathered through this questionnaire supports the sustainable management of wildlife populations in the Algonquins of Ontario (AOO) settlement area for future generations. Any questions about the collection of this information should be referred to your Algonquin Negotiation Representative (ANR).

Questionnaires can be mailed or dropped off at community offices or the AOO Consultation Office (address below). Please note, all harvests of moose, elk, and deer must be reported within 24 hours, but additional harvest information is welcome through mailed hard copy.
